We know how important your personal info is, and we want you to feel confident about how we handle it. So, let’s break it all down in a way that makes sense—no legal mumbo jumbo, just straight-up facts on what we collect, why we collect it, and how we keep it safe.

1. What Information We Collect

When you book a trip, sign up for our emails, or interact with **Girl Let’s Go**, we may collect:

- **Health & Special Requests:** Any medical conditions, allergies, or accessibility needs you share with us for a safe and smooth trip.

2. How We Use Your Information

We don’t just collect your info for fun—we use it to:

- Book your trips and process payments.
- Keep you updated on trip details, itinerary changes, and important travel updates.
- Send you exclusive **Bucketlist Baddies** perks, deals, and travel inspo (only if you opt-in, of course).

3. How We Share Your Information

We only share what's necessary and only with trusted partners. Here's who we might share your info with:

- **Travel Vendors & Partners:** Airlines, hotels, transportation services, and tour operators who need your details to book your trip.
- **Payment Processors:** To handle transactions securely.
- **Legal & Safety Requirements:** If required by law or in case of an emergency (think: helping you out if something unexpected happens on a trip).
- **Marketing Partners (With Your Consent):** If we collab with another travel brand to bring you something amazing, we'll ask before sharing anything.

🚫 **What We DON'T Do:** We don't sell your info to third parties. Period.

4. Your Privacy Rights

You got options when it comes to your personal info:

- **Update or Correct Info:** Need to change your email or passport details? Let us know, and we'll update it.
- **Unsubscribe Anytime:** Don't want travel deals in your inbox? You can opt out at any time (but we promise not to spam you).
- **Request to See or Delete Your Info:** Want to know what we have on file or ask us to delete it? Reach out, and we'll handle it within legal limits.

5. Cookies & Tracking Tech

We use cookies (not the kind you eat, unfortunately) to:

- Keep the website running smoothly.
- Remember your preferences.
- See what trips and content you love the most.

You can adjust your cookie settings in your browser if you want to limit tracking. Just know that some features might not work the same if you disable them.

6. Data Security: How We Keep Your Info Safe

Your info is locked down with encryption, secure servers, and restricted access to only those who need it. While no system is 100% foolproof, we do everything in our power to protect your data from unauthorized access.

7. International Travelers & Data Transfers

If you're traveling internationally, some of your data may be transferred to our partners in different countries. We only work with vendors who follow strong data protection laws, so your info stays safe no matter where your passport takes you.

8. Policy Updates & How We'll Let You Know

Things change—travel rules, data laws, even our privacy policy. If we update this policy, we'll post the changes here and send a heads-up if it's something major.
